- Must be ready to go on the ice 10 minutes prior to scheduled game.
- OMHA rules are in effect
- Puck out of play will result in face off at centre.
- Following goals or saves, offensive team must clear blue line and only when all 3 have cleared may they re-enter. Whistle will indicate goal/save. On a save instance, goaltender can play puck or give to teammate right after whistle is blown. Off-sides will be whistled down, (play continues) and offending team must leave puck and clear zone. Once all 3 have cleared, they may re-enter zone.
- If the scoring team OR off-side team INTENTIONALLY touches the puck prior to clearing the blue line, a penalty shot will be awarded. A team clearing the puck after being scored upon has only 10 seconds to proceed past the blue line, or a delay of game penalty will be called.
- There are no icings.
- OUT OF PLAY - When the puck goes out of play, the team not responsible for the stoppage in play will be awarded the puck. A minimum of 10 feet of clearance shall be given to resume play. No face-off will occur.
- Goal tenders are not to be hacked at, etc. if puck is under goalie or saved, even if the whistle has not blown.
- Minor penalties will result in a penalty shot. The non-penalized team will choose shooter who will start from the blue line. The remaining players will wait at the center line. Puck is live if shooter does not score. If saved, offensive team must clear the zone.
- There is no body checking in any division.
