

This year Lucknow Auxiliary to Winter Sports (LAWS) and Ripley Parents Auxiliary are proud to announce we are working together to keep our food booths open this season. We are asking team representatives or a parent volunteer to consider scheduling the food booth during your games. Let's think outside the box, asking minor hockey friends and families to lend a hand, it does not always have to be the parents of the team playing that works the booth. Find a "booth buddy", partner with another team and cover each other. We are asking for the teams to find coverage for their games, not necessarily work the booth. If your team chooses not to schedule the food booth, please let the parents auxiliaries know, so we can post your games on our Facebook group Huron Bruce Minor Hockey Parents Auxiliary and look for coverage. If you don't already, please follow our group for up to date information.

We are not tracking hours for volunteer time. We are simply asking for parents to consider finding coverage for the booths to provide our hockey fans with something warm to drink and snacks to eat and keep up their energy for cheering!

In return for parents volunteering their time to run the food booths, we are providing \$600 per team (\$300 from LAWS and \$300 from Ripley Parents Auxiliary) towards tournaments this season. Please send your requests to lucknowlaws@hotmail.com and leannescott@hurontel.on.ca and indicate the following:

Team Name

Team Manager (who to make cheque out to)

Tournament Name & Dates

Tournament Costs

****some exceptions do apply, contact the emails above with any questions****

All funds raised by the food booths go back to community sports. If you would like to participate in the committee please send an email to the addresses above, we would be happy to have more help.

THANK YOU!
